NEIGHBOURHOOD CENTRE
HOLIDAY HAMPER ADOPT- A- FAMILY 2016

The Neighbourhood Centre has been creating positive change in the Taylor Massey, Lumsden Crescent Town and Oakridge Neighbourhoods for over 40 years. Last year, the Holiday Hamper Program assisted around **100 families**, thanks to the generosity of donors and volunteers. These contributions led to **222 children** and **151 adults** receiving a holiday meal, gifts, warm clothing, and other essential household items to enjoy over the holiday season.

This year, we know you can help us hit our goal of 100 families!

Our goal is to provide food and gifts to **100 local families** who cannot afford to do so on their own. This is your chance to give something memorable, a gift that will never be forgotten and that means more than you will know. **Each Hamper contains gifts for the entire family, such as clothing, shoes, and toys.** Financial contributions and in-kind donations also enable us to include additional items such as hygiene products, canned food, and a holiday meal including a turkey and all the fixins'.

Whether you would like to **ADOPT** a family to shop for, **DONATE** items or money to provide a hamper to a family in need, or **VOLUNTEER** your time to the 2016 Neighbourhood Centre Holiday Hamper Program, we welcome your participation.
